

Track 5: REANIMATE ME

(Musik: Tobias Kuhn, Text: Sebastian Wehlings)

STROPHE

Sometimes I feel so strong
I can fly, I can only win
And sometimes every move feels
wrong
like I lost my wings

Feels like I fall deeper and deeper
And I have no clue what to do
So good to know that I would never be
alone

I am not afraid
Cause I can count on

REFRAIN

You reanimate me
You really got me
You reanimate me
Nothing can hurt me
You reanimate me
All I feel is all I want
You reanimate me

STROPHE

Some days it seems so hard
To run and to walk on
Some days I am hoping for a restart
Like a brand new song

You make feel better and better
And I just know what to do
So good to know that I would never be
alone

I am not afraid
Cause I can count on you

REFRAIN

You reanimate me
You really got me
You reanimate me
Nothing can hurt me
You reanimate me
All I feel is all I want
You reanimate me

BRIDGE

You lift me up when I feel down
It feels like home when I'm with you
Cause a single word will do

REFRAIN

You reanimate me
You reanimate me
You reanimate me
All I feel is all I want
You reanimate me
